1 Create your own Webkey Account

- 1) In order to create your Siemens Webkey-Accounts, please open the Siemens GTAC Portal
Link: <https://www.plm.automation.siemens.com/global/en/support/>
- 2) Please select: „WebKey Account Management“

The screenshot shows the Siemens Support Center website. At the top, there is a navigation bar with the Siemens logo and the tagline "Ingenuity for Life". To the right of the logo, there are links for "Events", "Contact", and "Global | English". Below the navigation bar is a search bar with the placeholder text "Search for...". The main content area features a large banner with a photograph of two people working on a laptop. To the right of the photograph, the text reads "Take me to Support Center" followed by a description of the Support Center and a "Take me there" button with a right-pointing arrow.
